About Me

Fourth Year Bachelor Information and Technology student of Cebu Institute of Technology University with active programming skills mainly web development. Curious, focused, enjoys solving problems, and building web pages. Eager to use the technical skills and the information gathered throughout studying in a practical setting. Hopes to discover further knowledge and provide contribution to wherever it is needed.

Skills

- Non-technical skills: Team player, Problem solving skills, Task management, Curious, and Dedicated
- Software & Tools: VS Code, XAMPP, Jupyter Notebook, Figma, Canva, ClipChamp, MS Office (Word, Excel, PowerPoint, Access)
- Languages: English, Bisaya, and Tagalog

Education

Bachelor of Science in Information Technology

CEBU INSTITUTE OF TECHNOLOGY UNIVERSITY 2021 - Present

- Field focused: Web Development
- Flexhibit 2.0 Awardee (Top 7 - 3rd Year BSIT)

Projects

CAPSTONE PROJECT - CEBU INSTITUTE OF TECHNOLOGY UNIVERSITY

Full Stack Developer Role

SY. 2023 - December 2024

- Collaborated with a team of five to develop the Capstone project "CebuStay", a full-stack web app to streamline accommodation searches and booking for tourists in Cebu.
- Created web pages component using React.js framework.
- Built backend components and RESTful APIs using Laravel, optimizing performance and server-side logic.
- Designed the MySQL database schema and managed data relationships, ensuring integrity and smooth integration.
- Implemented key backend features like user authentication, property management, booking flows, and data validation using Laravel Eloquent ORM with XAMPP for local deployment.

WEBSITE PROJECT (Industry Elective and AppDev Course) - CEBU INSTITUTE OF TECHNOLOGY UNIVERSITY

Project Leader

August 2023 - December 2023

- Developed "PharmaPurse", a web app for small pharmaceutical businesses to streamline product purchasing.
- Built the project's frontend using React.js and the backend with Spring Boot, integrating a MySQL database for efficient data management.
- Designed a cohesive UI/UX and led a team of five, ensuring smooth task delegation and timely project delivery.
